July / August / September 2018

Thursday 26th July
Burnham Swimming held at Southminster Pool

26th July
Plastics exhibition at the museum special mention to Jennifer Donnelly and Katie.

27th July
I attended a **civic reception at Stow Maries** with Chairman of MDC Henry Bass

11th August

Helped at the **Burnham allotments** show and presented awards, well done everyone who exhibited especially when you consider the dry conditions. All results in their Facebook page.

I attended the **Art Club 54th Annual Exhibition** at the museum and was very impressed at the standard of our local artists then went from

there with Cllr Bell to Burnham Sailing Club for the **launch of Burnham Week Ltd.** Excellent hospitality; thank you

26th August

Braved the wet conditions and attended the **RNLI blessing** outside the Ye Olde White Hart on the Quay.

Monday 27th August

Opened **Quay Day** and what a lovely event and we were very lucky with the weather.

I wish to thank everyone who helped arrange, contribute, and attend Quay Day. A special mention for Fiona & Phillip Clegg, Victoria, the

CPO's, the bands, the stalls holders, Barrie my husband who arranged the car show, Peter May and of course Johnny Depp. It was very hard work but worth it.

29th August

The Royal Corinthian Bistro Dinner was my next event. I attended with Cllr Bell. Cllr Calver was present with his wife. Very good food and hospitality and the Commodore and his wife were perfect hosts. Thank you.

In amongst all this I was running up and down to the **Council Offices** as work had commenced and due to ill health of our clerks I was dealing with contractors and anything else that needed sorting. The office has been an absolute mess and we are waiting for planning approval to replace the windows and remove the damp, redecorate and replace the flooring not only in the Town Clerk's office but in the entrance too.

31st August

Another lovely reception at the **Burnham Sailing Club** where I have now committed to have a go at paddleboarding!

1st September

Saturday saw the **Burnham Week awards night** where a popular winner of the **Town Cup** was Digger Harden and his crew sailing Glorious Fools. Full results on Burnham Week Ltd website. Another amazing evening at the Corinthian with Peter and Katie plus friendly sailors and their partners. This was all rounded off with a fabulous **firework display**. Burnham council contributed towards this and it was very good indeed, enjoyed by many.

I do have an apology to make: I was due to give a talk at the **Gardening Club** on the 10th but I wrote it in my diary for the 12th I am so sorry but I was actually working on behalf of the council speaking at SEP.

15th September

Sadly I couldn't attend the well organised **Tourette's Awareness Day** last Saturday but I am sure it was great.

I wish to thank everyone who has contributed to all events over the summer that has helped our residents and visitors have a super duper summer holidays.
