

TOWN MAYOR'S REPORT June 2018

Planting the Planters

© 2018 Wendy Stamp

I worked with children from Burnham Treetops pre-school, Breakaway, Close to Home and Ducklings, who, over a number of days, were busy planting the Station House planters.

They look fantastic. The children loved watering best.

Saturday 16 June

St Mary's Primary School Fete

I have attended the fete and had a dance with one of the pupils.

It was very well-attended in glorious weather.

Saturday 16 June

SEAN Dinner

Cllr Bell and I also attended the SEAN dinner at the Royal Corinthian Yacht Club in aid of bringing an Admiral Nurse, specialising in Dementia care, to this area.

It was a super event with Jane English providing excellent music.

A substantial amount of money was raised.

Saturday 23 June

Burnham Primary School Fete

I also attended this fete. I had my strength tested on the minion hammer game and enjoyed decorating home-made biscuits.

This was very well-attended in wonderful summer sunshine.

Friday 22 June

Art Trail launch

I attended the Art Trail launch event which was a fabulous event. Someone mistook me for an artist - saying I was far too young to be the Mayor. That definitely made my evening...

Saturday 30 June

Down Hall Residential Home, Bradwell

I was very honoured to be asked to open the sensory garden at Down Hall Residential Home in Bradwell.

What a fantastic place. I stayed and spoke to the residents and staff and had a look around.

Saturday 30 June

Rugby Club

I popped in to support the Rugby Club who carried out a mammoth task of clearing the ditches around the Millfields, replacing trees and repairing fencing.

I thank them deeply and sincerely on behalf of Burnham.

I regret to say I couldn't stay long enough to contribute any hard work.

Saturday 30 June

Open Gardens

I attended one of the Open Gardens, visiting a magical, surprising garden down King Edwards Avenue.

This was part of Burnham in Bloom. (See below, 20th July)

Saturday 30 June

Rugby Club Dinner

I attended the Rugby Club dinner where the lovely Jane English and her group provided the music.

It was fantastic and we all danced until well after midnight.

It was a brilliant evening. Thank you.

June - Railway Bridge Task Force

I also helped the Task Force with their invaluable voluntary gardening and tidying work at Burnham station.

They need more volunteers - especially with organisational skills.

Please contact Cllr Vanessa Bell or the Town Clerk.
