

BURNHAM-ON-CROUCH COUNCIL'S

ENVIRONMENT REPORT FOR NOVEMBER 2023

Cllr. Diane Carter's Meeting on Forming the Climate Change Dengie Group was very successful. Their First Meeting will be held on the 30th. November at 7.pm here at the Council Offices.

Cllr. Una Siddall-Norman along with Pauline Wells had a meeting with John Whittingdale on the Sewage issue in our river, he is kindly going to get information for our Council, we will present this to Council as soon as we receive it.

All issues on our previous Reports in September and October have been addressed, by the Town Clerk. A Meeting with Skippers was held which was very informative, we look forward to receiving their quotations on the work needed for the repair and enhancement of our green environment addressed on previous reports.

We have successfully solved issues that have been reported on weeds on shop fronts and properties in our High Roads., everybody has been very amicable and helpful in carrying out improvements we had pointed out, we have written thanking them for their consideration in these matters. Council can see a bright future for the Town appearance next year.

We look forward to MDC responses to some of our requests next month, the Toilets on the Quay and entrance to Millfield corner by the library.

We have a meeting on work to be carried out on the Station Embankment this month, with the Railway Authorities, and we are in discussion on the placing of the Talking Seat. which we need outside the house near the Kaffe's Tables and overlooking our Planters.

Thanks to Cllr. Jane English, Cllr. Nick Skeens and our Deputy Mayor Fiona Clegg who have recorded an excellent guide of several walks to enjoy in our Town for visitors, for our tourism agenda. More information on this next month. They have thanked us for the gardening work carried out by the Station Adopters and are very happy if a 'Friends of Burnham Station' which has been suggested being formed for those that are interested in its condition but are not gardeners in the near future. We have several people already involved in this and others interested in joining such a group.

Cllr. Una Siddall-Norman, Cllr. Diane Carter.
