About this item

- ✔ This premium first aid kit for outdoors contains everything you need to treat minor injuries, including 110 essential items such as extra strong metal medical scissors, a splint, a tourniquet, an instant cold pack, a large foil emergency blanket, and a range of plasters for both large and small wounds
- ✔ The durable and lightweight outer bag is made to last and can be easily organized to find what you need quickly. There is also additional space to add more supplies if necessary.
- ✔ The lightweight and compact design makes it easy to store the kit away in your home, kitchen, work, car, school, trailer, or caravan. It is also great for use outdoors while camping, hiking, backpacking, and walking.
- ✔ This comprehensive first aid bag includes products such as antiseptic alcohol-free cleansing wipes, butterfly closures, safety pins, band aids, fingertip strips, first aid tape, and more. It is manufactured to ultra-high standards in a CE-approved facility.
- ✔ This first aid kit contains all essential contents that comply with British standards and HSE guidelines to provide the best medical care in emergencies at home and on the go.
